

Our college AICUF club Members conducted Pledge was taken as a commitment to promote respect, equality, and safety for women. Everyone pledged to actively work towards creating a society free from violence and discrimination. Participants committed to educating others, advocating for policy changes, and fostering environments where women feel empowered and safe. Such pledges aim to create a collective responsibility to prevent abuse which can include domestic violence, support survivors, challenge harmful stereotypes, promote gender equality.

The next camp was AICUF's centenary celebration held in AICUF house, Chennai at 16-19th August. It was a three days camp and so called triple celebration. Day 1 was Inaugural ceremony, day 2 was state convention and day 3 was state council. Four members from our college participated of which two students from 1st CS went. The two students of 1st CS won in the state council election and now as State president and National council member.

Our college students participated was on 5th September at St. Joseph College, Trichy. It was a one day camp for executive coordinators (EXCOs). So only the two new EXCOs from 1st CS participated. The camp 's purpose was for EXCOs orientation in which the State council members of AICUF had discussion in the 2024-2025 year plannings.

A cultural camp conducted in Loyala college, Mettala on July 26-27. 15 students from our college took part in this camp of which 4 students from 1st CS went. It was a two days camp where students were taught about various cultural activities, especially focusing on Streetplay. Ovil dance and Parai which becomes a important tool to make awareness programs to voice over social injustice as it is AICUF's principal motive.
